

Aidar Saktaganov - Mechanical Engineer

Contact:

Email: aidar.saktaganov@example.com

Summary:

Mechanical Engineer with expertise in mechanical design, materials science, and manufacturing processes. Skilled in CAD software and known for developing efficient and durable mechanical systems. Experienced in both research and hands-on applications.

Skills:

- Mechanical Design & CAD (SolidWorks, AutoCAD)
- Materials Science & Analysis
- Product Development & Testing
- Manufacturing Processes
- Project Management

Professional Experience:

- **Mechanical Engineer**, Industrial Dynamics LLC
Developed mechanical systems for manufacturing processes, increasing efficiency and reducing production costs.
- **Junior Mechanical Engineer**, TechBuild Solutions
Assisted in designing and testing mechanical prototypes, contributing to successful product development.

Education:

Bachelor's in Mechanical Engineering, Satbayev University
